

MJFC Season 2020 Registration fees / Levy

- Eastern Ranges/Interleague representatives \$80
- Individual player \$230
- 2nd Child \$115
- 3rd Child \$95

Please note: The introduction of a \$30.00 Fundraising/Maintenance Levy has been applied to first registered child/player only. The introduction of the levy has been introduced as a matter raised by club members to the committee to avoid the regular and ongoing request for money through seasonal fundraising campaigns. To subsidise the loss of fundraising income which is critical to the ongoing running of a sporting club, a levy has been vigorously discussed and debated, but agreed on as a sustainable way moving forward to remain financially sustainable.

Committee – Do we want to include the Sporting Pulse commission in our price, or list our price and let the parents pay it when using the software service.
